## Important information about Demo columns

1. You must send the certificate of non-hazardous material correctly fulfilled and signed, otherwise the column will be invoiced due to safety reasons.

2. Please attach a chromatogram in order to evaluate your test.

3. The demo column will be invoiced in the following cases:

- ▶ If the column is not sent back after 30 days of test.
- ▶ If the certificate of non-hazardous material is missing.

4. Some re-stocking fees may apply if:

- ▶ The column box is damaged (this is a product packaging, not a shipping box!!).
- ▶ The manual is missing.
- ▶ The CoA is missing.

10. Finally, and if you agree with the previous information, please proceed to fulfill the order form and accept the that you have read and accepted the Terms and Conditions which you can find again before submitting your order

Please keep in mind that:

- All available Demo columns are already available to choose, if you cannot find the demo column you are looking for, please check the name and or the product code again. If this still does not work, please contact us for further support.
- In case our team has given you a reference number, please provide it to us with the demo order. If you do not have any reference number, please leave this blank.
